## WORK EXPERIENCE

### FULL-STACK DEVELOPER — 02/2025 - 08/2025
*Panafrimarket.com (Remote)*

- Led the planning and implementation of the overall application architecture ensuring scalability, maintainability, and separation of concerns.
- Configured and secured a production server using Docker for containerization, setup managed PostgreSQL database, and cloud object storage for high availability and performance.
- Setup a robust CI/CD pipeline using GitHub Actions automating the deployment process and reducing the time for changes from development to production.

### SHOPIFY DEVELOPER — 09/2024 - 05/2025
*Sokoni Africa Ltd (Kampala, Uganda)*

- Developed a headless Shopify mobile application for Le Gourmet Delicatessen using React Native, and Shopify Storefront API, delivering a seamless and engaging shopping experience for iOS and Android users.
- Managed the end-to-end app store submission process for both iOS and Android platforms, ensuring compliance and successful deployment to a broader customer base.
- Provided technical consultation and support, proactively identifying and resolving bugs, maintaining the application, and implementing updates to ensure continuous high performance and user satisfaction.

### E-COMMERCE MANAGER | WEB ADMINISTRATOR — 07/2023 - 08/2024
*Sokoni Africa Ltd (Kampala, Uganda)*

- Led the end-to-end development of a custom Shopify theme for Le Gourmet Delicatessen using Shopify Liquid, ensuring alignment with brand identity and delivering a cohesive, visually appealing, and functional storefront.
- Conducted regular SEO optimizations and performance audits to enhance site speed, improve search engine rankings, and increase online visibility for all company-owned websites.
- Analyzed sales data and performance metrics to forecast future sales, identify trends, and inform strategic decisions for inventory and marketing efforts.

### TECH-ED PROJECT VOLUNTEER — 09/2021 - 11/2021
*CEED Concordia (Gulu, Uganda)*

- Supervised and mentored a team of interns, guiding them through hands-on technology education initiatives.
- Assisted in curriculum development and content creation, helping to design impactful educational materials that resonated with TechEd learners.

- Played a key role in project planning and execution, ensuring the successful delivery of educational programs within set timelines.

TECH-ED INTERN                                                          02/2021 - 04/2021
*CEED Concordia (Gulu, Uganda)*

- Developed and delivered engaging ICT and Python programming curriculum to TechEd learners, enhancing their foundational technology skills.
- Facilitated interactive workshops and learning sessions, adapting complex technical concepts for diverse student comprehension levels.
- Collaborated effectively within a dynamic team to plan, organize, and execute educational initiatives, ensuring program objectives were met on schedule.
- Created comprehensive educational content and presentation materials, including lesson plans, coding exercises, and visual aids, improving student retention.
